

## **Attachment 4**

### **Incorporated Permit Deliverables**

#### **A. RCRA Facility Investigation Reports**

1. Final (2<sup>nd</sup> revision), Phase II RCRA Facility Investigation Report, Tooele Army Depot, Group A Suspected Release SWMUs, dated August 1997
2. Revised Final, Tooele Army Depot, Group B Suspected Release SWMUs, Phase II RCRA Facility Investigation Report, dated December 1997
3. Revised Final, Tooele Army Depot, Base Realignment and Closure Parcel, Group C SWMUs, RCRA Facility Investigation Report, dated April 1998.
4. Revised Final RCRA Facility Investigation Report, Tooele Army Depot, Phase II Study, Known Release SWMUs, dated April 1996
5. Final Phase I RCRA Facility Investigation Report for SWMU 58, On-post Sources and Groundwater Contamination, Tooele Army Depot, Tooele, Utah, dated March 14, 2002
6. Final Addendum to Phase I RCRA Facility Investigation Report for SWMU 58, Offsite Portion of Northeast Boundary Area, Tooele Army Depot, Tooele, Utah, dated August 2003

#### **B. RCRA Corrective Measure Studies**

1. Final Corrective Measures Study Report, Group A Suspected Release SWMUs, Tooele Army Depot, Tooele, Utah, dated April 2001
2. Final Corrective Measures Study Report, Group B Suspected Release SWMUs, Tooele Army Depot, Tooele, Utah, dated October 2000
3. Final Corrective Measures Study Report, Group C Suspected Release SWMUs, Tooele Army Depot, Tooele, Utah, dated July 2001
4. Final Corrective Measures Study Report, Known Release SWMUs 3, 11, 25, and 30, Tooele Army Depot, Tooele, Utah, dated December 2001
5. Final Corrective Measures Study Report, SWMU 10 – TNT Washout Facility, Tooele Army Depot, Tooele, Utah, dated July 2002
6. Final Corrective Measures Study Report, SWMU 12/15 – Sanitary Landfill/Pesticide Disposal Area, Tooele Army Depot, Tooele, Utah, dated October 2003

## **C. Interim Measures Plans**

1. Final Ground Water Management Area Plan, Northeast Boundary Plume, Tooele Army Depot, Tooele, Utah, dated March 2004

## **D. Interim Measures Completion Reports**

1. Interim Removal Action Completion Report, Sanitary Landfill, SWMU 12/15, Tooele Army Depot, Tooele, Utah, dated June 2003.
2. Final, Building 679, Oil/Water Separator Removal Project Completion Report, Tooele Army Depot, Tooele, Utah

## **E. RCRA Corrective Action Decision Documents**

1. Final Decision Document, Group A Suspected Release SWMUs, Tooele Army Depot, Tooele, Utah, dated April 2001
2. Revised Final Decision Document, Group B Suspected Release SWMUs, Tooele Army Depot, Tooele, Utah, dated November 2000
3. Revised Final Decision Document, Group C Suspected Releases, Tooele Army Depot, Tooele, Utah, dated January 2002
4. Final Decision Document, Known Release SWMUs 3, 11, 25, and 30, Tooele Army Depot, Tooele, Utah, dated December 2001
5. Final Decision Document, Interim Removal Action, Sanitary Landfill, SWMU 12/15, Tooele Army Depot, Tooele, Utah, dated May 2002
6. Revised Final Decision Document, SWMU 10 – TNT Washout Facility, Tooele Army Depot, Tooele, Utah, dated October 2003.
7. Final Decision Document, SWMU 12/15 – Sanitary Landfill/Pesticide Disposal Area, Tooele Army Depot, Tooele, Utah, dated January 2004
8. Final Decision Document, RCRA Corrective Action, Group “B” No Action Solid Waste Management Units 14, 28, 38, and 47, Tooele Army Depot, Tooele, Utah, dated November 2000
9. Final Decision Document, RCRA Corrective Action, Group “C” No Action Solid Waste Management Units 53, and 55, Tooele Army Depot, Tooele, Utah, dated October 2000

## **F. Corrective Measures Construction/Completion Reports**

1. Corrective Measures Completion Report for the Corrective Measures Implementation at Solid Waste Management Unit 46, Used Oil Dumpsters, Tooele Army Depot, Tooele, Utah, dated February 2003
2. Addendum to the Corrective Measures Completion Report for the Corrective Measures Implementation at Solid Waste Management Unit 46, Used Oil Dumpsters, Tooele Army Depot, Tooele, Utah, dated July 2003
3. Final Corrective Measures Completion Report, Skeet Range, SWMU 57, Tooele Army Depot, Tooele, Utah, dated September 2003
4. Final Corrective Measures Completion Report, Charcoal Material Area, SWMU 52C, Tooele Army Depot, Tooele, Utah, dated August 2003
5. Final, Corrective Measures Construction Report, SWMU 49, Stormwater/Industrial Wastewater Piping, "G" Avenue Outfall, Tooele Army Depot, Tooele, Utah, dated August 2004
6. Final, Groundwater Closure Report, SWMU 3, X-Ray Lagoon, Tooele Army Depot, Tooele, Utah, dated September 2004

## **G. Site Management Plans**

1. Final Site Management Plan, SWMU 4, Sandblast Areas, Tooele Army Depot, Tooele, Utah, dated December 2002
2. Final Site Management Plan, SWMU 26, Defense Reutilization and Marketing Office (DRMO) Storage Yard, Tooele Army Depot, Tooele, Utah, dated March 2004
3. Final Site Management Plan, SWMU 29, Drum Storage Area, Tooele Army Depot, Tooele, Utah, dated March 2004
4. Draft Final Site Management Plan, SWMU 37, Contaminated Waste Processing Plant, Tooele Army Depot, Tooele, Utah, dated March 2004

## **H. Ground Water Treatment System (SWMU 2)**

1. Final Project Work Plan, Implementation of Alternative Measures, Industrial Waste Lagoon, Tooele Army Depot, Tooele, Utah, dated May 2003
2. Final System Non-operational Test Proposal, Implementation of Alternative Measures, Tooele Army Depot, Tooele, Utah, dated October 2003

## **I. Groundwater Modeling Reports**

1. Tooele Army Depot Ground Water Flow Model Recalibration Study, U.S. Army Corps of Engineers, Hydrologic Engineering Center, 2000
2. Tooele Army Depot, 2001/2002 Recalibration Study, U.S. Army Corps of Engineers, Hydrologic Engineering center, dated April 2002
3. Tooele Army Depot, Ground Water Flow and Contaminant Transport Model, 2003, U.S. Army Corps of Engineers, Hydrologic Engineering Center, dated April 2003.
4. Tooele Army Depot Groundwater Flow and Contaminant Transport Model (2004), U.S Army Corps of Engineers, Hydrologic Engineering Center/Geotrans, dated April 2004
5. Addendum to the Tooele Army Depot Flow and Contaminant Transport Model (2004) TCE Transport Sensitivity Analysis, U.S Army Corps of Engineers, Hydrologic Engineering Center/Geotrans, dated May 26, 2004

## **J. Miscellaneous Reports**

1. Semi-Annual Groundwater Monitoring Report, Spring 2001, Tooele Army Depot, Tooele, Utah, dated September 2001
2. Final Risk Assessment for the Industrial Waste Lagoon, SWMU 2, Tooele Army Depot, Tooele, Utah, dated October 2001
3. Fall 2001 Annual Combined Groundwater Quality Report and Voluntary SWMU Sampling, Fall 2001, Tooele Army Depot, Utah, dated April 2002
4. Semi-annual Groundwater Quality Report and Voluntary SWMU Sampling, Spring 2002, Tooele Army Depot, Tooele, Utah, dated October 2002
5. Final Annual Combined Groundwater Quality Report & Voluntary SWMU Sampling, Fall 2002, Tooele Army Depot, Tooele, Utah, dated April 2003
6. Final Semi-Annual Groundwater Quality Report and Voluntary SWMU Sampling, Spring 2003, Tooele Army Depot, Tooele, Utah, dated October 2003
7. Final Annual Combined Groundwater Quality Report & Voluntary SWMU Sampling, Fall 2003, Tooele Army Depot, Tooele, Utah, dated April 2004
